Donor Corner: Collect for Kids

Thanks to the many community groups and organizations that participated in FCPS's "Collect for Kids" drive, we were able to supply over **25,000 students** with school supplies and backpacks to begin the school year! From item donations and backpack collection boxes, to school supply kit assembly events, and even a donut sale to raise funds – efforts across Fairfax County grew and expanded "Collect for Kids" this year.

Visit the "[Collect for Kids](#)" website for a list of partners and supporters in this amazing community effort.

It's never too early to plan for next year - we are hard at work all year long to match community groups with our schools. [Contact us](#) for more information.
